PEP

Multicolour plain broadloom or carpet tile with velours surface in 20 colours.

Sometimes the little things make all the difference. Nuances that lie hidden and turn something unremarkable into something big. It's like PEP. A collection that provides the big picture with fine curly velours and harmonious shades of colour. And which always knows how to fit stylishly into the overall atmosphere of a room.

The tufted, plain carpet is available as a broadloom or carpet tile in 20 colours. It impresses with its velours surface made of environmentally friendly ECONYL® yarn, which consists of 100% recycled raw materials and is produced using the solution-dyed process – colourfast throughout.
