ANKER

Multicoloured unpatterned broadloom and tiles with loop pile.

Lively and calming at the same time. Colourful and yet full of grace. What is special is often the contrast, the opposition or the apparent difference.

Just like PLANIM, a carpet with personality and character. The mottled woven loop pile convinces with stylish and imaginative structures, which are skilfully presented by the use of effective Moulinés. Perfect for sophisticated interior design that wants to make rooms look creative and courageous, but also noble and stylish.

16 different colour variations are available for this purpose. PLANIM is available as broadloom and tile.
